DECLARATION REGARDING SEQUENCE INFORMATION

Sir:

Norman D. Hanson hereby declares that he is the attorney in charge of the above referenced application, that he has compared the sequences submitted on paper copy by mail on November 2, 1994 in 08/288,568 to the sequences appended hereto, and to the best of his knowledge, the information is identical.

He further states that since the paper copy was generated from computer readable form previously submitted in the parent application, that to the best of his knowledge and belief, the information submitted herewith is identical to that submitted in computer readable form in the parent case, now transferred to the subject application.

He further states that to the best of his knowledge and belief no new matter has been presented either in the paper copy submitted herewith, or in the computer readable form transferred from the

parent case.

He further attests that all statements made herein of his own knowledge are true, and that all statements made on information and belief are believed to be true, and that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued therefrom
